FIRST EUROPEAN MOBILITY WORKSHOP IN LISBON

LISBON, 2 JULY 2019

"MOVING TOWARDS A SUSTAINABLE MOBILITY – BUILDING A SMART ENVIRONMENT AND USER-FRIENDLY INTEGRATED MOBILITY SYSTEM"

Organised jointly by AMT and IRG-Rail

Lisbon, 2nd of July 2019

Teatro Thalia, Estrada das Laranjeiras 205, 1600-139 Lisboa, Portugal

The Workshop will bring together European Union and national representatives from industry and passenger, Regulatory Bodies and Member State National Authorities to explore and discuss opportunities, challenges and strengths related to the promotion of sustainable mobility in Europe.

The Workshop will comprise two sessions with presentations followed by a debate:

8:30 - Registration

9:00 - Opening Session

Welcome Speech, Mr. João Carvalho, AMT President and IRG-Rail President 2019
Mr. João Matos Fernandes, Minister for the Environment and Energy Transition

9:30 Session 1 — **Digitalization driving customer benefits as the heart of intermodality and the challenges of innovation**

Keynote Speech: Mr. José António Laranjeira Anselmo, Ex-Senior Advivor TEN-T, DG Move
Presentations from Siemens Mobility, UIRR, UIC, APLOG, IP and UNIFE
Discussion panel: Moderated by Anne Yvrande-Billon, Vice-President of the French Regulatory Body (ARAFER)

12:15 - Lunch Break

13:45 Session 2 — **Achieving social and environmental cohesion and sustainability through the protection of passengers' rights as an active agent of the promotion of decarbonization**

Keynote speech: Mr. Miguel Gaspar, Lisbon City Hall Councilman for Mobility and Safety
Presentations from EPF, UITP, EPTO, DGC and CP
Discussion panel: Moderated by Andrea Camanzi, President of the Italian Regulatory Body (ART)

16:45 - Closing Ceremony

Mr. José Mendes, Secretary of State for Mobility
